The Grey Gull Resort has agreed to let AAOS artist members to display their framed art in their reception area.

We've gotten many comments and compliments on our showing at the Gray Gull Resort. The present artwork will be displayed until mid February. At that time I'd like to change out to some new pieces. I'm thinking 3 months showing may be a good length of time. So any artists who have things that hang on walls...I'd like to hear from you. The rules are all pieces must be for sale. No pieces are removed without checking with me first ...so I can let the Resort know there will be a change in the display. Everyone signs a disclaimer and you must leave contact information for interested parties to be able to buy your work. Also all pieces must be of show ready quality...and with your name and contact on the back. So hope to hear from you guys.
